So long as any shares of the Series EE Preferred Stock are outstanding, unless full dividends on all outstanding shares of the Series EE Preferred Stock have been declared and paid or a sum sufficient for the payment thereof set aside for such payment in respect of the most recently completed dividend period:

Whenever, at any time or times, dividends on the shares of Series EE Preferred Stock have not been paid for an aggregate of six or more quarterly dividend periods whether or not consecutive, the authorized number of the Company's directors will automatically be increased by two and the holders of the Series EE Preferred Stock will have the right, with holders of shares of any other class or series of parity preferred stock outstanding at the time upon which like voting rights have been conferred and are exercisable, which we refer to as "voting parity stock," voting together as a class, to elect two directors, which we refer to as "preferred directors," to fill such newly created directorships at our next annual meeting of stockholders and at each subsequent annual meeting of stockholders until full dividends have been paid on the Series EE Preferred Stock for at least four quarterly consecutive dividend periods. At that time such right will terminate, except as expressly provided in the Certificate of Designations or by law, subject to subsequent retesting.
