(3) Issue Price and Amount to be Credited into Stated Capital:

<Before Amendment>

Issue price: TBD

Amount to be Credited into Stated Capital: Euro 2 per share (approximately JPY 255.44)

Note: The issue price in this document is a 20% discount price from the reference price of the Shares. For these purposes, the "reference price" in this document is the average of the opening share price on the Paris Stock Exchange on the 20 trading days ending on June 8, 2018.

<After Amendment>

Issue price: Euro 52.66 per share (JPY 6,815.00)

Amount to be Credited into Stated Capital: Euro 2 per share (approximately JPY 255.44)

Note: The issue price in this document is a 20% discount price from the reference price of the Shares. For these purposes, the "reference price" in this document is the average of the opening share price on the Paris Stock Exchange on the 20 trading days ending on June 8, 2018. For the convenience of Japanese readers, in this item (3), conversion of the issue price into Japanese Yen has been made, at the exchange rate of Euro 1 = JPY 129.41, which was determined by Sanofi shortly prior to June 9, 2018.

(4) Aggregate Issue Price and Total Amount to be Credited into Stated Capital:

<Before Amendment>

Aggregate Issue Price: TBD

Total Amount to be Credited into Stated Capital: Euro 12,240,396 (approximately JPY 1,563.34 million)

Note: The aggregate issue price will be calculated by multiplying the issue price by 6,120,198 Shares (the estimated maximum number of Shares to be delivered for consideration outside Japan).

<After Amendment>

Aggregate Issue Price: Euro 322,289,626.68 (approximately JPY 41,162.83 million)

Total Amount to be Credited into Stated Capital: Euro 12,240,396 (approximately JPY 1,563.34 million)

Note: The aggregate issue price will be calculated by multiplying the issue price amounting to Euro 52.66 by 6,120,198 Shares (the estimated maximum number of Shares to be delivered for consideration outside Japan).

(9) Total Amount and Use of Proceeds from New Issue of Shares:

<Before Amendment>

(i) Total Amount of Proceeds from New Issue of Shares
